Jai Guru

Dear Swamis, Devotees, Disciples, and Peers,

I am planning to publish a second volume about Revered Swami Swahanandaji Maharaj, on his life and legacy. It will consist primarily of reminiscences about our beloved and revered Swahanandaji. For this, I need your help. I request you to explore your sacred memories of Maharaj, and share them in a short reminiscence.

Below, I have included nine points to help stimulate our memories of Maharaj. Some of you might have noted down special moments or teachings in your journal, or have received letters from Maharaj, which could be included in your reminiscences.

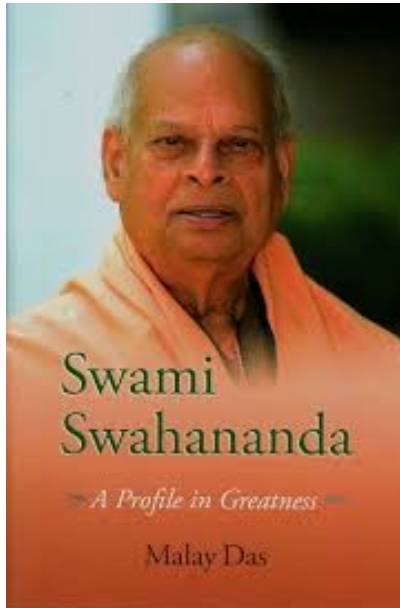

I feel sure that with your contributions, the book will become a treasure for all spiritual seekers, and specially for Maharaj's disciples, friends, and admirers. I look forward to receiving your contributions. No contribution would be too small, but I am hoping for pieces up to 1,500 to 2,000 words.

Please send me your offering by June 15. My e-mail address is malayrdasmd@yahoo.com and my cell phone number is 310 951 2756. If you have any questions, please contact me.

Sincerely yours,

Malay Das

Jai Ma
